

Cyber Coverage Opt-In Form

Effective January 1, 2027, Public Entity Partners is discontinuing the Privacy & Network Liability Coverage Endorsement and transitioning the program to CFC's Cyber Program. To opt in to the CFC cyber coverage, each insured will need to request coverage by completing the **Cyber Coverage Opt-In Form**.

Eligibility for program participation is limited to PE Partners members with Errors or Omissions coverage under the liability program. Budget information supplied with the PE Partners liability application will be used by CFC for premium determination, including agent of record information.

Name of Insured: _____

Cyber Liability Limit (please select one):

- ☐ \$1 million with \$250,000 Cyber Crime
- ☐ \$2 million with \$250,000 Cyber Crime
- ☐ \$3 million with \$250,000 Cyber Crime
- ☐ \$5 million with \$250,000 Cyber Crime

The CFC cyber policy will be issued on a one-year basis. A completed Signature Page is required every year from each insured.

The policy is a CFC product and underwriting criteria are evaluated annually by CFC. Eligibility for participation in Public Entity Partners' program continues to be governed by Public Entity Partners' interlocal agreement with each insured. Public Entity Partners retains the right to cancel participation in the Cyber Program for non-payment of premium. All CFC cyber policy terms, conditions and exclusions apply.

The undersigned declares that they are an authorized representative or municipal official with authority to opt into the Public Entity Partners Cyber Program through CFC.
